**BENEFITING PENINSULA EDUCATION FOUNDATION
AND PVPUSD STUDENTS AND SCHOOLS**

Dear Friends,

We sincerely thank each of you for joining us at Toast on the Coast in the picturesque setting of Malaga Cove. This day is truly special, a celebration of our community uniting to support a common goal. Your presence and generosity play a vital role in helping us raise the essential funds needed for Palos Verdes students and schools.

Your contributions make a tangible impact, directly strengthening our schools and fostering excellence in education. Because of your dedication, we can provide critical resources, programs, and opportunities that empower our students to succeed, including support for STEM initiatives, school counselors, library aides, music teachers and PE teachers, senior scholarships, teacher grants and more.

This day at Toast on the Coast goes beyond simply tasting delicious food and wine and relishing a gourmet dinner; it's a powerful demonstration of our shared commitment to shaping the future of our community. We look forward to continuing this journey together, ensuring a bright future for our students, schools and community.

With Gratitude,

**Laura Hughes
