**BENEFITING PENINSULA EDUCATION FOUNDATION
AND PVPUSD STUDENTS AND SCHOOLS**

Dear Friends,

Thank you for joining us at Toast on the Coast in beautiful Malaga Cove. Today is more than an event; it is a celebration of community and a reminder of what we can accomplish when we come together for our students and schools. Your generosity makes a lasting impact, and we are so grateful you are here.

Because of you, PEF can provide programs and resources that reach every child in PVPUSD. From STEM opportunities and school counselors to library aides, music and PE teachers, College & Career Centers, scholarships, and teacher grants, your support makes all of this possible. You are helping shape each student's daily experience while opening doors to brighter futures.

While today is filled with great food, drinks, and music, it is also a celebration of something bigger: the power of a community that believes in its kids. Together, we are building a stronger foundation for our schools and creating opportunities that will last a lifetime.

With Gratitude,

**Carlie Garber
Peninsula Education Foundation, President, Board of Trustees**
